

## Free Electric Cable 3D Lettering

license no. e52t2d5s

# EXTENDED LICENSE

Members who have purchased our Extended License have unlimited access to both premium items and freebies. These products can be used for personal and commercial projects; the license is also valid for an unlimited number of sales on any design or product that is made with Deezy items. The designs can be digital or non-digital (web templates, posters, t-shirts stickers, etc.). However, you cannot resell these files directly, or provide them for free; nor can you provide them within products where they can be extracted in their original form (such as vector shapes, elements, or fonts). The files should always be flattened into the background or object within your digital item
